Dear Mr. Folkman:

I refer to our letter dated May 30, 2014, regarding the release of certain Department of State material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. § 552.

The review of additional records retrieved from the Office of the Legal Adviser has been completed. Segment L6 consist of 13 documents responsive to your request. After reviewing these documents, we have determined that 6 may be released in full and 7 may be released with excisions. We have also completed our review of one more document from segment L3 and have determined that it may be released with excisions.

In addition, the review has been completed for 40 documents from previous segments that required third party notification and/or further coordination with another government agency. It has been determined that 16 may be released in full and 23 may be released with excisions. All released material is enclosed. The remaining document was determined to be a duplicate of document C05528329, which is included in this release.

We have also determined that two compact discs containing certain media files responsive to your request may be released in full. These discs will be mailed to the address referenced above.

An enclosure provides information on FOIA exemptions and other grounds for withholding material. Where we have made excisions, the applicable exemptions are marked on each document.

In the case of a document released in part, all non-exempt material that is reasonably segregable from the exempt material has been released.

We will keep you informed as your case progresses. If you have any questions, please contact Assistant United States Attorney Anita Johnson at (617) 748-3100.
